To Whom It May Concern:

Please let this letter serve as a recommendation for Brad and Debra Andersohn. I have known them for over seven years. During the past four years I have known them in the capacity of active members in the church I pastor. They have been an inspirational and vital part of what we've done.

Brad and Debra both are accomplished musicians, as well as faithful and hard workers. They also possess a pioneer spirit, that caused them to join a team of us who started this church a little over four years ago.

I am happy to introduce and recommend them to you. I am also willing to answer any questions you may have about them.

Feel free to call me if I can be of any further assistance.

Sincerely,

A handwritten signature in black ink, appearing to read "Doug Heisel", written over a large, stylized flourish.

Sr. Pastor
